

STATUS OF RECOMMENDATIONS

INVESTMENT COUNCIL MEETING

Tirana, 29th June 2016

RECOMMENDATIONS

- TAX INSPECTION- SIMPLIFICATION OF PROCEDURES
- DISPUTE RESOLUTION MECHANISMS BETWEEN ADMINISTRATION-BUSINESS
- BANKRUPTCY
- INVESTMENTS & INCENTIVES
- NOTIFICATION AND PUBLIC CONSULTATION

I. Tax Inspection –Simplification of procedures

IC Recommendations have been included in the draft-law “*On Some Amendments in Tax Procedures*”. PILLARS:

Information & Transparency

- ✓ Prior notification to businesses subject to tax inspection and fiscal visits
- ✓ Obligatory publication of legislation in English language
- ✓ GTD should publish the interest rate applicable on arrears

Tax precedent & standardization

- ✓ GTD should publish its technical decisions and opinions on tax issues, and it will be considered as *tax precedent* for all the similar cases
- ✓ GTD should publish periodically the summary bulletin on court decisions

Other

- ✓ Clearer procedures on authorization of tax re-inspections
- ✓ Shorter time-terms and simplification of procedures on business de-registration
- ✓ Bankruptcy of business debtors as per the provisions of the Law On Bankruptcy and not upon tax administration request.
- ✓ Customs- “*One stop shop application*” to simplify the administrative procedures for businesses. Information related to businesses will be retrieve through the on-line exchange of information with 20 government agencies

II. Dispute resolution public administration – business

Draft-law “On some changes to Tax Procedures” - increased the business guarantees on tax appeal procedures.

Reshaping of TAD role

- ✓ Depending from MoF
- ✓ Established the Board for Reviewing Tax Appeals
- ✓ TAD and Board decisions shall be final and not subject of further appealing from tax administration
- ✓ Clarified the notion of *burden of proof* during the tax appeal process.

Reshaping of Taxpayers’ Advocate role

- ✓ Establishing in perspective an independent entity as Business Ombudsman.

III. Bankruptcy

✓ **DRAFT-LAW “ON BANKRUPTCY”**

IT IS APPROVED FROM COUNCIL OF MINISTERS AND SUBMITTED TO THE ASSEMBLY ON 09.06.2016 UNDER NORMAL REVIEWING PROCEDURE.

IV. Investments and Incentives

- ✓ AIDA in cooperation with Department of Strategic Investments in Council of Ministers are designing and preparing *'incentives mapping'*.
- ✓ AIDA is in process of drafting the *'road map'* on investments in strategic sectors. The road map will assist any kind of proposal for investments to AIDA, providing the potential incentives and procedures.
- ✓ AIDA has available an *Inventory- database of state properties* to be used by strategic investors. The electronic platform of these assets will be *on-line*, as soon as all the public assets included are confirmed as such by the relevant institutions.
- ✓ The restructuring and update of AIDA *official website* is ongoing. By the end of September, AIDA will manage the new website, TEDA's website as well as Electronic Register of strategic investments.

V. Notification and public consultation

- ✓ *Draft-law “On Some Amendments on Tax Procedures” discussed with groups of interest, business associations, businesses, IC Secretariat etc.*
- ✓ Positive initiative from the Ministry of State for Relations with Parliament regarding the application of the Law No. 146/2014 *"On Notification and Public Consultation"*. Ministries should insert in the Matrix attached to the project-acts sent for approval to the Council of Ministers, the concrete actions performed for notification and consultation of their proposed acts with groups of interest.
