I. INTRODUCTION

Given the situation created by the COVID-19 pandemic since 9 March 2020, a number of escalating measures have been taken in Albania. The dynamics of the laws and by-laws based on restrictive measures to control the epidemic situation and reduce the number of infected by COVID-19 has been very fast. In addition, the Government has published a plan of measures in the context of providing financial support to individuals and businesses. This summary, which is not intended to be exhaustive, provides information on the main laws and by-laws adopted so far and applicable for the duration period of COVID-19, as well as on the measures and obligations adopted along with them.

The objective of this document is to assist companies, working people and partners of the Investment Council and Secretariat, by modestly raising their awareness on the voluntary implementation of measures and obligations imposed. Last update of information: **31 March 2020**.

Information on these measures is made available on a case-by-case basis to the general public, citizens and companies via written and electronic media, as well as on the official websites of public administration institutions (e.g.: [Ministry of Finance and Economy](#), [Ministry of Health](#), [Official Gazette Centre-QBZ](#)), which are strongly advised to be frequently visited for updated information.

II. FINANCIAL PLAN TO DEAL WITH COVID-19 CONSEQUENCES

- The Financial Plan was launched on 19.03.2020 and entered into force on 21.03.2020 as Normative Act No. 6 dated 21.03.2020 [On Some Amendments and Additions to Law No.88/2019, "On the 2020 Budget"](#). This normative act shall be accompanied by the relevant guidelines for its implementation.
- The plan contains the following 7 items:
 1. **ALL 2.5 billion, or \$ 25 million** available to the Ministry of Health, **for medical equipment and materials or support** for medical staff.

2. **ALL 10 billion, or \$ 100 million**, through the instrument of a **sovereign guarantee** for companies that have objective difficulty in paying employee salaries.
3. **ALL 6.5 billion, or \$ 65 million for the most immediate needs:**
 1. For the neediest layers of the population
 2. For small business
 3. Possible unemployment situation created because of the war
4. **All 2 billion, or \$ 20 million**, made available to the Ministry of Defence for **Humanitarian Operation**.
5. **All 1 billion, or \$ 10 million as a reserve fund** to the Council of Ministers for any unforeseen emergency.
6. **Permanent write-off of interest on late payments** for active debtors who consume energy today, family or small business, with a financial effect of up to ALL 15 billion, or USD 150 million. This measure will be benefitted by 211,24 subscribers.
7. **The reclassification in the second half of 2020 and onwards of income tax on businesses in the turnover range of 2 million All to 14 million All**. Postponement in the submission of financial balance sheets until 1 June 2020 for businesses which submit their balance sheets to NBC either electronically/online or directly.

IV. LEGAL AND SUBLEGAL FRAMEWORK AND MEASURES

GENERAL

1. LAW No.15/2016 "ON PREVENTION AND FIGHTING INFECTIONS AND INFECTIOUS DISEASES"- Official Gazette No. 46/2016

- This law defines the responsibilities and the role of health services, public health services, and other actors at all levels, public and non-public, in taking measures to prevent, control, treat, monitor, secure funding and allocate responsibilities on infectious diseases and events of public health importance.
- Some of the **key principles** for preventing and combating infections and infectious diseases are as follows:
 - (1) the prevention of infectious diseases in the territory of the Republic of Albania is mandatory;
 - (2) the prevention and control of infectious diseases and infectious diseases is provided without any discrimination;
 - (3) prevention and control of infections and infectious diseases is provided throughout the territory of the Republic of Albania;
 - (4) the prevention and control of infectious diseases of epidemic character, according to the list prepared by the National Epidemic Intelligence Service is provided free of charge to any person;
 - (5) protection against infectious diseases is carried out according to the planning, programming, organization, implementation of measures for prevention, diagnosis, treatment, combating, eradication of infectious diseases and provision of necessary means and infrastructure for health protection;
 - (6) every person has the right to benefit from measures to protect against infectious diseases;
 - (7) every person suffering from infectious diseases of epidemic character has the right and obligation to receive free treatment at any public or non-public health institution;
 - (8) every individual, every natural or legal person and every institution shall have the duty to apply the measures prescribed and ordered by the competent authorities for the protection against infectious diseases;
 - (9) any attempt to control, eliminate and eradicate infectious diseases should interrupt the chain of infection, focusing on the control of the infectious agent, the source of infection, the mode of transmission and the host concerned.
- **Notification and reporting of infectious diseases** - any public or non-public institution reports to the relevant bodies designated by the Minister responsible for health for:
 - (1) any infection which, in his view, presents or may present significant harm to human health;
 - (2) any unusual events or syndromes which or which, according to him, present or may present significant harm to human health;

- (3) any disease or infection suspected or confirmed in deceased persons;
 - (4) contagious agents found in human samples examined by them.
- The law provides **for specific measures** that may be applied to prevent infectious diseases. The most important are:
 - (1) timely detection of the source of the infection and the ways of its transmission and spread;
 - (2) epidemiological surveillance and early & rapid notification;
 - (3) isolation and quarantine;
 - (4) safe transportation;
 - (5) accurate and real-time micro-biological diagnosis;
 - (6) treatment and healing of sick persons;
 - (7) tracing contacts with infected or sick persons;
 - (8) restricting or stopping travel to the country where the epidemic has spread from these diseases;
 - (9) restricting or prohibiting circulation in infected or endangered areas;
 - (10) restricting or prohibiting the circulation of various types of goods and products;
 - (11) compulsory participation of health and other institutions as well as citizens in combating communicable diseases, the use of facilities and means of transport.
 - **The responsible structures** for the control of infectious diseases are:
 - (1) Institute of Public Health
 - (2) National Epidemic Intelligence Service
 - (3) National Infectious Disease Service

ADMINISTRATIVE SANCTIONS

1. NORMATIVE ACT No. 3, DATE 15.3.2020 “ON SPECIAL ADMINISTRATIVE MEASURES DURING THE INFECTION PERIOD CAUSED BY COVID-19” - Official Gazette No. 37/2020

- This normative act aims at defining and strengthening the implementation of the rules, decisions, orders and instructions issued by the competent authorities, throughout the territory of the Republic of Albania, to prevent and combat the spread of infection caused by COVID-19. The normative act is of a transitory nature and applies as long as the period of infection caused by COVID-19 lasts.
- The competent body according to the area of responsibility and, in any case, the State Police has the right to issue administrative measures under this normative act.
- The fines imposed under this normative act constitute an executive title and are paid 100% to the state budget.
- The administrative measures provided by the Normative Act take precedence over the provisions of law 15/2016 regarding administrative measures.
- Some of administrative measures are:
 - (1) Companies exporting medicines and medical equipment from the Republic of Albania, without the special authorization of the Minister of Health and Social Protection for conducting this activity, shall be fined ALL 5,000,000 (five million) and confiscation of the entire amount of medicines/medical equipment. In the event of a recurrence, the prohibition on the export of medicines/ medical equipment may be extended by up to 6 months.
 - (2) Companies or individuals organizing the conduct of public and non-public activities, such as sports, cultural and conference activities, or mass gatherings indoors or outdoors, such as

concerts, gatherings and public hearings, shall be fined for up to ALL 5 000 000 (five million) for the organizers and interdiction of the activity.

- (3) The following shall be subject of a fine of ALL 700,000 (seven hundred thousand):
 - a) A citizen who enters the territory of the Republic of Albania and does not declare his/her arrival from the areas affected by the COVID-19 infection declared by the competent authorities, domestic or foreign or international;
 - b) The citizen, who enters the affected areas in the territory of the Republic of Albania, which is not self-quarantined for a period of 14 days in the premises of his residence, as a preventive measure for the non-spread of the infection caused by COVID-19;
 - c) A citizen coming from the affected areas and failing to comply with an order issued by the competent authorities for compulsory self-quarantine.
 - d) A citizen who has been positive and does not comply with the order issued by the competent authorities for compulsory self-quarantine.
- (4) Educational institutions, kindergartens and kindergartens, public and non-public, which do not close their activity for the period specified by the competent authorities shall be punished by a fine of ALL 5,000,000 (five million) for educational institutions, public/non-public, and in the amount of ALL 1,000,000 (one million) for kindergartens and kindergartens, public/not public. In case of repetition, the activity is closed for a period of 6 months.
- (5) Entities or individuals, public or private, conducting activities in indoor recreation facilities for children and young people, gyms, sports centres, swimming pools, internet centres, cultural centres, which do not comply with the order of the competent authority to close they are punished by a fine of ALL 1,000,000 (one million), and in the event of recidivism the activity is closed for a period of six months.
- (6) Entities or individuals who fail to comply with orders issued by the competent authorities for the non-closure of bars, premises, restaurants and clubs shall be punished by a fine of up to ALL 1,000,000 (one million) and in the event of a breach, the activity for a 6-month period.
- (7) Drivers who fail to enforce the prohibition on the circulation of public and private vehicles, including private vehicles, in the zones and schedules designated by the competent authorities shall be punished by revocation of the driving license for a period of three years and by vehicle lock. This rule excludes persons authorized by the competent authorities.
- (8) Increase in the selling price of all foodstuffs, medicines, medical devices and services as compared to their regular sales price, marketed in the preceding months from the date of entry into force of this normative act, and for seasonal products, according to the price traded in the same period in the preceding year from the date of entry into force of this normative act, when it does not result from the increase of the price by their import, is fined

with ALL 5 000 000 (five million) for wholesalers and ALL 100,000 (one hundred thousand) for retailers. In case of repetition, the activity is closed for a period of 6 months.

- (9) Failure to provide services by pharmacies, wholesalers of medicinal products and manufacturers of medicinal products, by applying the safety criteria laid down by the competent authorities, shall be punishable by a fine of ALL 10 000 000 (ten million) to wholesalers and to the extent ALL 50,000 (fifty thousand) for retailers. In case of repeated blocking of the whole quantity of goods and closure of the activity for a period of three years.
- (10) Failure to provide services by entities/individuals trading foodstuffs, wholesalers or retailers, by applying the safety criteria set by the competent authorities, shall be punishable by a fine of ALL 10 000 000 (ten million) to wholesalers and wholesalers, ALL 50,000 (fifty thousand) for retailers. In case of repetition with the confiscation of the whole quantity of goods and closure of the activity for a period of three years.

JUDICIAL ACTIVITIES

1. NORMATIVE ACT NO.9, DATE 25.3.2020 “ON UNDERTAKING OF SPECIAL MEASURES IN THE FIELD OF JUDICIAL ACTIVITY

DURING THE DURATION OF THE EPIDEMIC CAUSED BY COVID-19”– Official Gazette No.50/2020

- Court hearings in administrative, civil and criminal cases, scheduled before all courts in Albania, are adjourned until the conclusion of the epidemic caused by the spread of COVID-19.
- During the COVID-19 period, deadlines for filing lawsuits, filing complaints, and conducting any procedural actions in administrative, civil and criminal matters are suspended. When deadlines begin during the suspension period, they are postponed until the end of the epidemic situation.
- The following court cases are exempted from the above rules of suspension:
 - Administrative court cases, with subject to adjudicating the security of the lawsuit, if the court decides that a later hearing may cause serious and irreparable harm to the parties;
 - Family issues, subject to judgment, family care, obligations and observance of juvenile rights, custody and adoption, protective measures against domestic violence, parental responsibility, custody and alimony, etc.
 - Criminal cases related to the validity of arrest or detention and some other urgent cases.
- Specific organizational measures for the development of litigation relate to:
 - (1) restricting public access to court premises;
 - (2) arranging access to services, by reservation, also by telephone or electronic communication;
 - (3) establishing binding guidelines for the restriction and manner of movement of persons;
 - (4) holding closed-door hearings of all public hearings on assigned cases;
 - (5) conducting document-based hearings in administrative and civil matters, in which the presence of the parties is not required, through the use of electronic means of communication for the presentation of procedural acts and the rendering of a decision by the court.

CLEANING AND PUBLIC TRANSPORT CONTRACTS

1. NORMATIVE ACT No. 5, DATE 17.3.2020 FOR AN ADDITION TO THE NORMATIVE ACT No.3, DATE 15.3.2020, OF THE COUNCIL OF MINISTERS, “ON SPECIAL ADMINISTRATIVE MEASURES DURING THE INFECTION PERIOD CAUSED BY COVID-19”, AS AMENDED - Official Gazette No. 40/2020

- This normative act provides for the possibility for local self-government units to amend the cleaning and public transport contracts for the duration of the infection period caused by COVID-19. Specifically, this Normative Act stipulates that: *Local self-government units, within the framework of taking measures during the duration of the infection period caused by COVID-19, with the consent of economic operators, may make amendments to contracts they have with cleaning operators and public transport operators for the provision of these services, according to the needs dictated by the emergency situation. The contract enters into force after approval by the relevant municipal council. The contract is signed by the head of the contracting authority. The expenses will be borne by the budget of the local self-government units.*

WORKING HOURS IN STATE INSTITUTIONS

1. COUNCIL OF MINISTERS DECISION No.237, FOR ON AN ADDITION TO DECISION NO. 511, DATED 24.10.2002, OF THE COUNCIL OF MINISTERS, “ON THE DURATION OF WORK AND PAYMENT IN STATE INSTITUTIONS”, AS AMENDED - Official Gazette No. 44/2020

- This Decision sets the working hours for civil servants and other public/state administration employees from 08:00 to 13:00, for the entire period of the epidemic caused by COVID-19.
- The civil servants and employees mentioned in the Decision No.237 are assigned to perform any functional duties entrusted to them by the direct superior or head of the institution, which may be fulfilled at home, by telephone or other means of communication.

V. DECISIONS AND OTHER IMPORTANT NOTIFICATIONS OF SUPERVISORY AND REGULATORY BODIES

1. DECISION OF BoA SUPERVISORY COUNCIL DATED 12 MARCH 2020

The decision facilitates banks and non-bank financial institutions, as well as savings and loan associations and their unions, for the period March - May 2020. In cases when they evidence insolvency of their borrowers, they are not subject to the requirements of these regulations, mainly related with the classification and creation of provisioning funds.

In support of the Albanian economy, given the situation created by the spread of the infection caused by the COVID-19 virus, the Supervisory Council of the Bank of Albania decided:

- (1) Adoption of an amendment to the Regulation “On credit risk management by banks and branches of foreign banks”
- (2) Adoption of an amendment to the Regulation “On risk management in the activity of non-bank financial institutions”
- (3) Adoption of an amendment to the Regulation “On risk management in the activity of savings and credit associations and their union”

Full content is available [here](#).

2. JOINT ORDER DATED 17.03.2020 OF THE PRIME MINISTER AND GOVERNOR OF THE BANK OF ALBANIA FOR POSTPONING BY 3 MONTHS DISBURSEMENT OF CREDIT LOAN INSTALLMENTS

- (1) The deadline for repayment of instalments of loans from businesses and individuals is extended until 31.05.2020, for all those borrowers who have faced difficulties during this period due to COVID-19.
- (2) The borrowers should communicate with the lenders (banks, non-bank financial institutions or savings and loan associations) arguing the reasons for their needs for deferred payment of instalments.
- (3) The lending institutions shall process any application filed with them within 3 days of receiving the request.

3. NOTICE FROM MINISTRY OF FINANCE AND ECONOMY ON THE REPORTING OF ABUSIVE PRACTICES FROM COMMERCIAL ENTITIES

- The Ministry of Finance and Economy, through its measures taken by the government to prevent the spread of Covid-19, as well as in conditions of traffic congestion, is monitoring the behaviour of markets through its structures to avoid any possible abuse by traders. The free green number 0800 14 14 is also available for this purpose, where anyone can report cases they find abusive. The Ministry of Finance and Economy encourages citizens to use this communication method to help identify cases that will be pursued with priority, based also on the Law on Consumer Protection, which stipulates the prohibition of unfair commercial practices, in order to protect the consumer. Violations of the provisions of this law shall not constitute a criminal offense, but shall constitute an administrative offense and shall be punished with the relevant penalties in force.

Full content is available [here](#).

4. NOTICES FROM TAX GENERAL DIRECTORATE

- (1) Information on the possibility of payment of tax liabilities through e-albania portal as well as via online banking by commercial banks.
- (2) On the procedure to be followed for authorizing the circulation of employees and entrepreneurs of manufacturing companies.
- (3) List of the activities to be allowed to carry on their activity and activities to be prohibited from carrying on economic activity starting from 24 March 2020.

5. NOTICE OF MINISTRY ON EUROPE AND FOREIGN AFFAIRS ON THE TIME OF RESIDENCE OF ALBANIAN CITIZENS IN ITALY AND THE CZECH REPUBLIC

- Starting on 2 March 2020, a 30-day suspension of administrative proceedings related to the stay of foreign nationals in Italian territory has been imposed. The suspension applies both to procedures related to residence permits (first application or renewal) as well as to visas. For this reason, MEFA points out, the measure of exclusion from the Italian territory of foreign citizens who would be in a situation of irregularity caused by the suspension of the transport corridors of citizens with the Republic of Italy. Also, regarding the stay of Albanian citizens in the Czech Republic, MEFA informs that all foreign nationals, who at the time of the declaration of a state of emergency were legally present in the Czech territory, can continue to stay in this country during the state of emergency, without having to resolve issues of their residence status.
